A year filled with progress and achievements, fads and traditions, joys and sorrows, and a greater future foreseen. To reflect, as truly as can be expressed, the spirit and ideals which have made this past year memorable, is the object of this book. Dedication: The Community Stands Squarely

Year after year, the young people of Jackson High School have depended on the good-natured good will of the citizens of the R-2 school district for support in all undertakings. They have not been disappointed.

Our community is clean, beautiful and exemplary of all that is best in an American small town. Its school system has been assisted by the entertainment and guidance for "all the children of all the people." That such an influence can produce the finest of citizens is evident in the record set by those who have gone before us.

Pictured here are several phases of summer fun offered through our fine park and service club sponsored activities.

These students take advantage of the excellent recreational facilities offered.

Behind Its School In All Endeavors

Pictured here are a few of the many examples of patronage for which we, the staff of the 1961 Silver Arrow, express gratitude for the entire student body. In deep appreciation, we dedicate this yearbook to the community and the patrons of the R-2 school district.

Among our memories will be those of sitting on the court house lawn listening to Muny Band, and the huge bonfires and pep rallies which were attended and supported by patrons.

Boy Scout camp-outs and church-sponsored fun, such as hay-rides, help fill busy days.

We thank you for making our school and
our community . . .

a good place in which
to grow up.

Several opportunities for public
speaking are offered ambitious students
by local clubs. This is only one facet
of their continuing support.

Whether it's Home Comers or a carnival at
school, the townspeople turn out in large numbers to
support local projects.

Winter sports include sliding down snowy inclines
obliging blocked off for safety by the city.

and science comes of age in 1960

Forming the basis for all education, English looms importantly in our cultural development. Without a knowledge of our own native tongue, much of our heritage of fine literature is lost to us, and the acquisition of further learning is made much more difficult.

With the current emphasis on science, our own science department keeps abreast of the times with the addition of new equipment and new courses. Progressive teachers, methods and materials make our school most adequate in the modern competent way.

Fine Art experience functional and practical

Modern courses in arts, music, and foreign language, justify their places in the curriculum by helping young people to become better consumers, live happily, improve tastes, and enrich their lives with culture. Mr. Partridge, our new director, has done an excellent job this past year.

The band members enthusiastically worked at the band suppers to raise money to help pay for their new uniforms.

Marching Band Parades New Uniforms

With new uniforms, new director, and new majorette, J.H.S. marching band put on a new face this year. Discarding the ancient red and black for snappy black and cream with red accents, the band, under the direction of Mr. Richard Partridge, performed with proficiency at concerts, ball games, parades and the festival.

Many mornings of practice, in all kinds of weather, are well worth the time and effort they take. This behind-the-scene preparation is necessary to keep our band in top performing shape, whether it is the annual Band Festival or a victory parade.

Saundra Smith is one of our hard working D.O. students.

Members of the D.O. Club are part of the Diversified Occupation program of this school. The club offered for these working students, practical lectures, films, and field trips. Besides their annual Employer-Employee Banquet, they also held several parties.

Electing club officers proved to be quite a job.

Pep Squad Backs Team and Sponsors Dance

All that has to be added to the throne is the finishing touch, but the sophomores and juniors seem to be awfully busy glittering stars.

Forming the nucleus of the cheering section, the Pep Squad also sponsors two dances during the year, at which are crowned the Football and Spring Athletic Queens. They can be counted on to serve at the Football Banquet too.

Silver Arrow Queen

Hermit,
Here's wishing the very
best of everything to a swell
guy. I know you'll keep
having fun in high school,
but don't forget to study also.
Lots of luck to you in your
future and take care of G.H.S.

An Enchanted Castle in a Silver Forest . . .

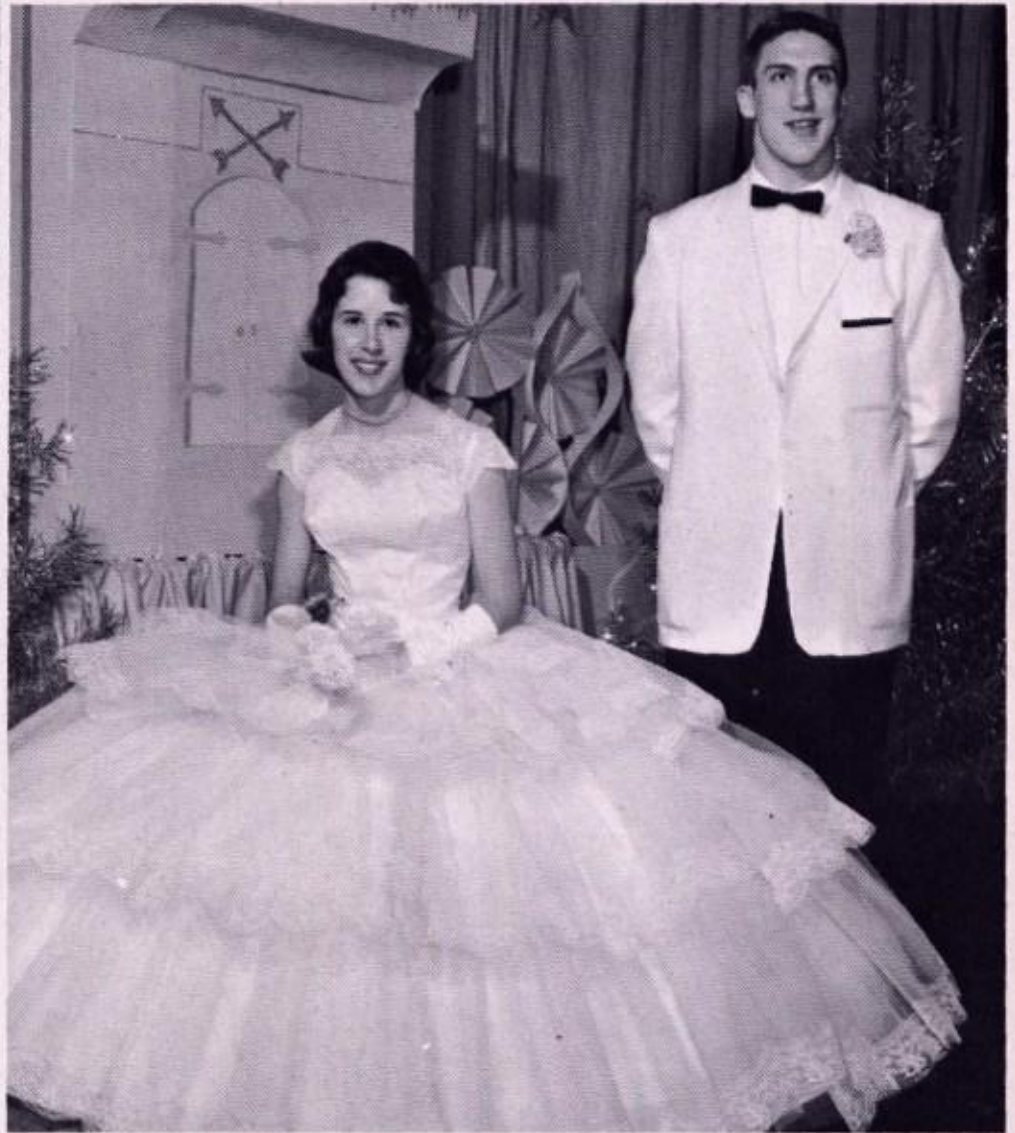

. . . sat silhouetted against a blue sky and silver star mobiles. Extending to the wings of the auditorium stage was a pink stone wall with a pink and silver grill. Silver trees carried out the theme of the 1961 Silver Arrow crowning, at which Sharon Sievers and Wayne Lohman reigned as Queen and Big Chief. After the musical program, the guests retired to the cafeteria, which was decorated with the same motif, for the dance.

Glamour, Suspense Rife in Backstage

The most thrilling moment of the evening.

The Big Chief candidates do some last minute rehearsing on their speeches.

Following the crowning many of the guests attended the dance.

Drama

Adding delight to the evening were Robert Mainord, Crown Bearer, and Deborah Williamson, Flower Girl.

Miss Jane Ann Schade, Business Manager of this year's book, acted as Mistress of Ceremonies.

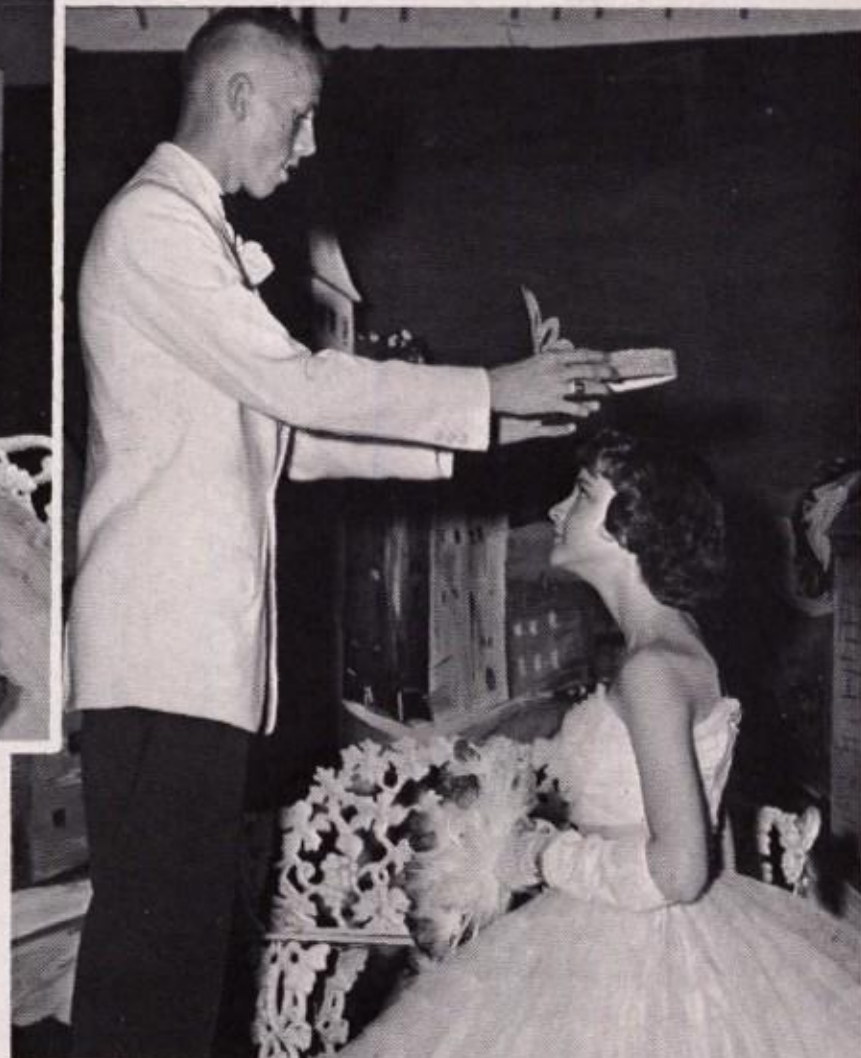

The girls' sextette, consisting of Carol Whitledge, Frances Sperling, Marcella Reitzel, Elizabeth Ludwig, Sharon Kuntze, and Janice Kuntze, sang "Deep Purple."

Hermit - It has been fun having art with you this year. Best wishes to a very good art student Jane Wagner -

Deep Purple Enchantment Suffused . . .

. . . the lovely spring evening of April 16. Rex Henderson, representing the baseball, basketball, and track teams, crowned Jane Wagner, Queen of Spring Athletics, with a golden coronet. Before them, to the lilt of Bob Sisco's orchestra, the guests and their escorts danced in the magic lavender twilight.

Gary Wittledge and Sandy LaPierre, Adolph Sokolowski and Janet Kinder, Rex Henderson and Jane Wagner, Pat Niblack and Wilson Crites, Betty Loos and Loy Welker, and Norma Smith and Jim Miget made up the queen's court.

In Monochromatic Blue . . .

. . . the throne setting, student designed and executed, eclipsed all previous efforts to disguise the cafeteria.

In this stylized setting, Joe Mathews did the honor for Karen Niblack who reigned briefly as 1960 Football queen. Master of Ceremonies, Gary Hurst, introduced Tom Cosgrove who sang the queen's Song.

*Kermit has been
nice going to school
with you these past
years. Good luck in
the future.
Always,
Karen*

The Queen's court consisted of: Tina Loberg and Bill Koch, Sandra Smith and Tom O'Loughlin, Karen Niblack and Joe Mathews, Connie Conner and Ronnie Lowes, and Kanet Kinder and Adolf Sokolowski.

Crowned 1960 Barnwarmin' Queen

Pat Niblack reigned for a short time after Wilson Crites, F.F.A. president, placed the coronet on her head. The decor, hay and more hay, formed the background for a whale of a lot of fun, as dancing, and a shucking contest (object: find the red ear) took place.

The queen's court consisted of: Janet Cobb escorted by Jerry Werner; Pat Niblack escorted by Wilson Crites; and Pat Clodfelter escorted by Mike Byrd.

An expectant circus mood . . .

. . . spilled over in the gymnasium April 22, when the actuality of the P.T.A. Carnival climaxed a hectic week of activity and planning. At the crest of the excitement, Judy Hartle, eighth grade candidate, knelt to receive her crown from J. W. Brune, campaign manager, then took her place on the blue and silver throne.

The Queen's court consisted of: Norman Meyer and Mary Tallent, John Clifton and Debby Kamp, J. W. Brune and Judy Hartle, Bob Jones and Sue McDonald, James Sander and June Brugger, Tom O'Loughlin and Sandra Smith.

The ephemeral beauty

Estelee was escorted to her place of honor by Pete Statler.

of the cafeteria at prom time . . .

. transformed it into an enchanted orchard scene. Climaxing many weeks of hard work and excited anticipation, the eagerly awaited evening of May 21 finally arrived. Glittering blue birds, pastel butterflies, and pink and white apple blossoms fluttered about the heads of the dancers making the 1960 Junior-Senior Prom delightfully fresh and springlike.

Estelee Seabaugh, chosen as queen by those attending, reigned from a pink and white satin swing which hung from the blossom-filled apple tree.

We could have danced all night in the magic of a May-time setting.

Other members of the queen's court were: Norman Meyer and Joyce Long, Stanley Sides and Noretta Phillips, Pete Statler and Estelee Seabaugh, Tom O'Loughlin, Mary Talent and Ronnie Henderson, and Nancy Hartle and Tom Crites.

Representing the Junior Class, Tom O'Loughlin crowned Estelee, Queen of the Junior-Senior Prom.

Winter snows and stormy weather defer Student Government Day . . .

. . . and plans move forward from February to April. In an emergency session of the Student Council, it was decided that the Student Body President election be held on March 10, since our representative was needed to go to a convention in Jefferson City on March 12. The identity of our new S.B.P., Ronnie Henderson, was revealed to the students in an announcement to the students during the sixth hour.

Student Government Day was held April 22, P.T.A. Carnival Day. Morning classes were shortened for the installation of city officials, and afternoon classes for the Carnival parade.

Here Ronnie Henderson, this year's Student Body President, addresses the students over the P.A. system. This is only one of the many and varied jobs that demand Ronnie's time. He has also done an excellent job as Chief Executive of the student body and President of the Student Council.

The city officials elected for the day were sworn into office by Mayor Nowak. The student teachers were also introduced and thus commenced the activities of the day. A meeting of the City Aldermen was called to order in the courthouse, and the Mayor assumed his responsibilities. The whole day proved to be very educational to the entire high school, and we are grateful to the city of Jackson for allowing us to participate in such an activity.

It isn't every afternoon that we're dismissed for bad weather, but when we are, my what confusion.

Well, Well, Well what do you know

Even the faculty members enjoy assemblies once in a while.

it's your old buddy Dan back at the old end of the school year. Boy this year has

Mr. Loberg, Mr. Pensel, and Mr. Fischer relax for a few minutes during a teachers' meeting.

Webster Davault can really hit that baseball.

The front steps are just about the best place in school to study!

Gone fast. I have enjoyed every day of it though.

Sorry I couldn't get you out the day of the Carnival. Say watch those girls Kermit. See you this summer. Let's go camping O.K.

Coach Guemmer addressed the student body for the first time last spring at the letter assembly.

Joe Mathews, Joe Buerkle, and Tom O'Loughlin, three Jackson Indians, are in hot pursuit of a Caruthersville Tiger.

New Coaches Lead Football Team Through Successful Season

Taking to the warpath for the first time under new mentors Mel Guemmer and Bill Daniel, the Jackson High School Indians of 1960 rolled up an impressive record of 7 wins and 3 losses which ranks among the three best seasons since the early 1940's. Led by All-Conference fullback Joe Buerlke, who formed the bulwark of the Indian backfield, the Indians were rated as the Number 3 team in Southeast Missouri which was a fitting honor for their fine effort.

Although dropping from first to fourth in the conference, it must be taken into consideration that the Big Eight was much stronger than in the past and fielded five championship caliber teams. The Indians fell in line behind the three teams which defeated them, Kennett, Sikeston, and Charleston, in that order, with a 4-3 conference mark.

The 1960 Jackson Indians football team was unquestionably one of the finest teams ever fielded by this school. They never gave up and were always ready to overcome the greatest hurdles. Let us then dedicate these lines to a never-say-die, razzle-dazzle, football squad; the fighting Indians of J.H.S.

The Football Banquet, held in honor of all the J.H.S. football boys, was enjoyable for all who attended. Each player was recognized, and Coach Guemmer is shown introducing the members of the high school backfield.

The senior high team won first place this year in both the S.E. Mo. Conference Tournament and the Perryville Tournament. As the Silver Arrow went to press, the tally stood at sixteen games won and three lost. These three games were lost by 2 points each.

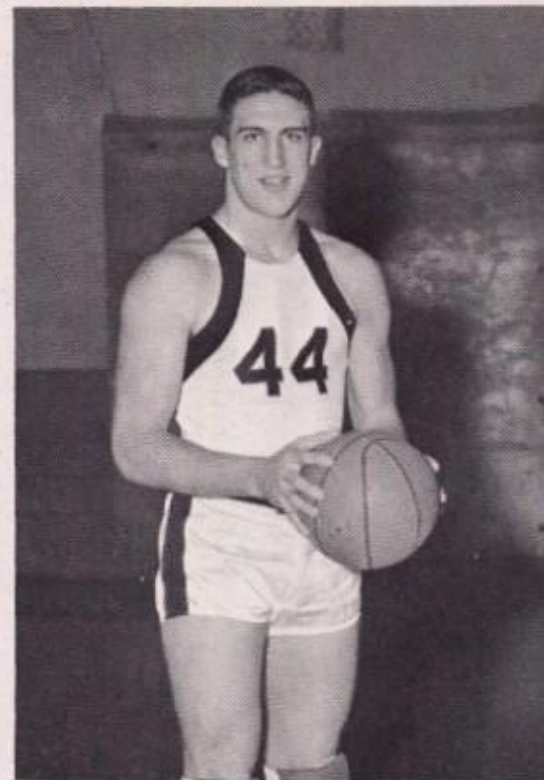

As the starting line-up is composed of seniors, it is reassuring to know that the B team can capably fill the empty places.

Track, Baseball, and Cross-Country Squads

Outstanding in the 1960 season were Rex Henderson, Glen Fluegge, Joe Buerkle, and Adolph Sokolowski.

Adolph was the high-point man with eighty-six points. Three boys qualified to go to state. Glen broke the 4-40 record with a 53.5 record. Rex won the district Class A with the time of 2:5.7. Joe broke the discuss record with 128 feet and 10 inches. Adolph broke the pole vault record with eleven feet. Rex made the half mile. Jerry Lacey broke the school record for the high jump with five feet three and a quarter.

The season was successful because of the boys that lettered, five are sophomores and five are juniors. This indicates that we will have a fine team next year.

Although still falling short of a winning season, the 1960 JHS baseball squad made a tremendous improvement over the previous season. The '60 season saw the Indian 9 compile a record of 6 wins, 7 losses, and 1 tie before being downed by Cape Central in the first game of the district tournament.

Rounding out a grueling schedule, the Cross-country boys ran half-time shows at the football games last fall.

Seventh

An awesome and confused world surrounded the typical seventh grader during his first week of school. His bewilderment soon faded as he became accustomed to high school life with its changing classes, tardy excuses, pep assemblies, and class meetings, and he eagerly looks forward to his next five years at J.H.S.

kids: "Will you come over at my house and play." Boy I'll never forget that. Then when you move we move we had to move to. And we are still neighbors. Boy we had a lot of fun during our childhood. Don't you think. Remember all of your pets. I bet you had a pet of all kind during your life. And when we chose the Boys Steve, Roger, Terry and many other kids. I'll never forget when your mom fixed my hair nobody else could do it like you could and I really like it. Remember when your dad gave you some logs and you made a log cabin in the back lot. Remember when you had to pick straw berries. Boy you really hated to work in the garden. I didn't mind so much. And your Dad is a real pretty colly. He use to ride bikes and play games also. Remember dear old "Margaret". Do you still like her? We had loads of fun on the history trip didn't we. And I am really got mad at me and I got mad at him also. I think we will have fun on the history last trip to I hope. And the history clubs are ugly "eck" a "freak".

Dear Kerist, Bus No 23 for you is too

Dear Kermit G. — (shall I?)

I really had fun the first of the year with you, from one history club trip to the next. In between there were quite a few ball games. I'll never forget that hot coffee ^{without sugar} that we had at Poplar Bluff. If I hadn't been cold, I couldn't have drunk it.

I'll never forget those sneaky pictures of Evelyn and I that you took at St. Louis! Oh, how I'd like to get my hands on them?!

(You know how to fix a French roll pretty good.)

I'll never forget that trusty ole blanket, that was so handy during the cold football season and of course, your lucky penny.

Always a friend
Margaret Lewis
"Maggie" "Terry"

P.S.

Too bad we didn't have any classes together this year.
